By Rail

Ekioh is located in the historic city of Cambridge, just a few minutes from the train station. Trains from Cambridge station provide a regular service to London's Kings Cross & Liverpool Street stations as well as an express service to London's Stansted airport.

On Foot

Exit Cambridge station. Turn right and walk through the long carpark towards a blue and red cycle bridge. There is a pedestrian path under it and it joins the road (Devonshire Road). Walk straight ahead (right) towards Mill Road. Cross Mill Road and walk along Kingston Street to the end. Turn right through a pedestrian/cycle only barrier, then immediately turn left up Sturton Street.

We are in the courtyard about 20 metres up, on the left. It is under 10 minutes to walk (taxis take longer as they cannot cut through the pedestrian-only barriers).

Our office is opposite the entrance to the courtyard, with our logo on the wall.
